

POLICY MEMORANDUM KY-FD-PM-S-05-01

To: School Food Service Directors / Agency Administrators

From: Teresa Ulery, Branch Manager
Division of Food Distribution

Date: July 26, 2004

Subject: Commodity Assistance Rate - School Year 2005

The USDA Food and Consumer Service Office have notified this office that the commodity assistance rate for each reimbursable school lunch for School Year 2005 will be \$0.1725 cents. This is an increase from last year and the on-line computer program now reflects this change. At this time your entitlement is based on the above amount and the number of reimbursable meals reported to us by the Department of Education, Division of School and Community Nutrition for the 2003 school year. As soon as the information from the 2004 school year is available, the number of reimbursable meals will be adjusted, not later than early January.

Please review your beginning entitlement amount by checking the Food Distribution On-line Electronic Food Request on our web site at <http://www.kyagr.com/df5web03/>.

Should you have any questions or concerns about the Commodity Assistance Rate or your entitlement amount, please contact Dan Flaherty at 502-573-0298 Ext 278 or email to Dan.Flaherty@ky.gov
